### *Infrastructure, Transportation, Services & Facilities*

Thursday September 17, 2009

7:00 – 9:00 PM

Chelmsford Senior Center

75 Groton Road

*This public input forum will focus on defining specific policies for infrastructure, transportation, services & facilities.*

*Through an interactive discussion, future opportunities, ideas and concerns will be explored such as:*

- *Is the Town's existing infrastructure & transportation networks, services & facilities adequate to meet future needs?*
- *What capital improvements need to be addressed?*
- *Where should these capital improvements be located?*

Please go to [www.townofchelmsford.us](http://www.townofchelmsford.us) for more information or call Evan Belansky, Community Development Director at 978-244-3341.
