At Home in Greater Lowell Regional Housing Strategy Goals

Goal 1: Housing Production and Choice

Increase the total number and type of safe, healthy, and environmentally-friendly homes so that people at any stage of life and income will be able to find a place to live while meeting the projected need of 19,250 new homes by 2035.

Goal 2: Housing Location

Increase the number of homes in places that are climate-resilient with access to public transportation, employment, basic services, and amenities essential for daily life.

Goal 3: Housing Stability and Subsidized Housing

Provide housing stability for current and future residents by creating and maintaining homes that affordably meet their needs, therefore ensuring access and ability to stay within communities of opportunity.

Goal 4: Housing Security

Eliminate housing insecurity through the strengthening of diversion and emergency shelter systems and the long-term creation and preservation of homes appropriate for chronically unhoused residents and individuals.

Goal 5: Fair Housing and Engagement

Foster inclusive communities and affirmatively further fair housing in every neighborhood in our region while communicating equitably and effectively across the region.

Goal 6: Funding and Partnerships

Create and sustain long-term funding sources and partnerships – across agencies, municipalities, organizations, and advocates – to advance the other goals of this plan, reduce barriers to housing production including infrastructure, and support region-wide coordination on local housing policies.
